

✧ Join the MBMS PTA ✧

Please join the PTA and make a generous donation. This year our financials are so meager that planning for future improvements is impractical. Please make a difference in the future well being of the MBMS. PTA.

The MBMS PTA Membership Drive and the Magazine Drive are our only fundraisers for the entire year.

MBMS PTA works with a very tight budget. We spend well OVER \$250 a year per student.

It is critical that every family contributes.

MBMS PTA will fund more than \$300,000 in 2011-2012 for:

- Technology enhancements for classrooms and labs
- Books, software, licensing and supplies for our library
- Curriculum enrichment for all Exploratory classes
- Vital course materials and supplies for all core subjects
- Outstanding music, choral and drama programs
- After school and new programs, which add to our students' educational experience

We are asking for a donation of at least \$200 per student. We understand that parents can give different amounts, so please give as you are able.

Suggested Donations:

BENEFACTOR (\$500+)

This is MBMS's circle of strongest supporters. These supporters allow us to continue to fully fund the PTA enrichment programs and materials for the number of students sponsored.

SPONSOR (\$350+)

MBMS's Sponsors are the foundation of the PTA membership drive. A sponsoring family gives PTA the ability to nearly fund all the PTA programs and materials enjoyed by the number of students sponsored.

PARTNER (\$200+)

Donating at the Partnership level is a generous way to support a substantial portion of the PTA programs and services at MBMS.

We also ask for \$15 per member in membership fees.

Please go to www.mbmswaves.com to make donation with PAYPAL, download a form at home,

Or

Return the form on the BACKSIDE of this flyer with a donation in attached envelope to the front office.

Any questions? Please email:
